Hi Lon!

Your comments in the QAPP were very helpful. I've shared them with the tribe and I'll be working with them this week on revisions. I believe we can address the majority of your concerns, but a few are just beyond the scope and objectives of this 1 year \$75,000 capacity building project. I'll get back to you as soon as I can. Thank you again for your work on this.

Subject: !REQUEST FOR REVIEW! Sun'aq QAPP for Kodiak Island Tribes Subsistence Consumption Assessment

Greetings Gina and Lon!

This is Sun'aq's draft QAPP for an assessment of Kodiak Island Tribes' Subsistence Consumption. Although it is based on Seldovia's Cook Inlet work, they've done a lot to try to address concerns Lon identified with that project. Please let me know what you think. Your efforts are greatly appreciated!
